

## Advisory to the Inmate Population/Social Visiting

Visitation times and procedures have changed for visitation at FDC Philadelphia. Effective Thursday, June 1, 2023, the following procedures will be observed during social visits and legal visits. Tuesdays will be designated to attorneys only. Each unit will be assigned a visiting day on a rotating schedule (see the monthly schedule below). All inmates will be allowed three visitors during the allotted visiting time frame. Inmates will not be allowed to swap visitors at no time during the visiting period. All visits, except for 3-South, will be prescheduled. Visitors will need to schedule a visit by sending an email to [PHL-VisitingScheduler-S@bop.gov](mailto:PHL-VisitingScheduler-S@bop.gov) with the following information: inmate name, inmate registration number, inmate's assigned unit, visitor name, visitor address, visitor phone number and visitor date of birth.

### **OPERATIONS OF VISTING ROOM:**

- The above rule will apply to children and infant visitor(s). Inmates will not be allowed to maintain constant contact with children and infant visitor(s) during their visit. Failure to follow this procedure will result in the termination of the visit.
