4. **DESCRIPTION OF PROCEDURES:**

A. Preparation of the Visiting List:

1. Upon admission to the FCI and SCP, each inmate will be given a Visitor Information Form to be completed and returned to the Unit Counselor for final approval. The inmate will be required to forward the Visitor Information Form to the proposed visitors. The Visitor Information Form must be returned to the Unit Counselor by the proposed visitor prior to any further action concerning the visit. Inmates may request to make changes to his visiting list by submitting a formal request to his counselor. Upon receipt of the completed authorization form, the Unit Counselor will initiate a National Crime Information Center (NCIC) inquiry. If a request is not approved, the Unit Counselor will notify the inmate in writing. These visitors will be reevaluated bi-annually following the same procedures.
2. After the appropriate investigation, the Unit Counselor will enter the required information into the Visiting Program on the LAN System. The Unit Team members will be the only ones authorized to place a visitor on an inmate's approved visiting list. A hard copy of the visiting list will be placed in the inmate's central file and at the Front Entrance Officer's station. The Unit Counselor will notify the inmate of those visitors who have been approved. Normally, a maximum of twenty (20) visitors will be authorized on the inmate's visiting list.

The Unit Counselor will forward the Visitor Information Form at government expense for any inmate found to be indigent, according to Program Statement 2000.02, Accounting Management Manual. Visiting Regulations have been incorporated in the Admission and Orientation Handbook, which is provided to all inmates entering the facility.

3. The Unit Counselor will periodically review the visiting list to ensure its accuracy. Once the list has a total of 20 approved visitors, the list may be amended quarterly by the inmate's submission of an Inmate Request to Staff Member form to Unit Team indicating the desired change.

B. Regular Visitors:

1. Members of the Immediate Family: These individuals are to be placed on the visiting list if identified in the inmate's Pre-sentence Investigation, absent strong circumstances which preclude visiting. Within thirty days all immediate family members must go through the same screening process outlined in section 4.a 1 and 2 to remain on the visiting list.

An inmate who has provided the name of a common-law relation must forward verification documentation to his Unit Team for their use. This may include, but is not limited to, joint leases or contracts; joint banking accounts; or, utility bills with both parties named. The inmate's Unit Team will review the material and place the common-law relation on the visiting list once the relationship is verified. Any exception to the prior relationship requirement will be approved in writing by the Warden.

2. Other Visitors: A completed Visitor Information Form will be required prior to consideration for approval. Approval for other visitors not known to the inmate prior to incarceration will have to be approved by the Warden or designee.
3. Business Visitors: The Case Manager will be responsible for verifying any potential visitor as a former business associate of the inmate, meeting the criteria outlined in BOP policy. The Unit Manager will then approve/disapprove the visit and enter appropriate documentation in the inmate's central file.

- C. Special Visits: All special visits must be requested by the Unit Manager routed through the Captain and approved by the AW(P), or designee. A memorandum authorizing the visit must be forwarded to the Front Lobby Officer, Visiting Room Officer, Captain, Duty Officer, Operations Lieutenant, and Central File ordinarily 24 hours prior to the visit. The Unit Team will also enter the information into the Visiting Program on the LAN System. This information must be entered prior to allowing the visitors entrance into the institution. If this information is not entered, then Unit Staff will be contacted concerning the visit and will take the appropriate action to either allow the visitor to enter or deny the visit.

IF AN ATTORNEY REPORTS TO THE INSTITUTION FOR AN ATTORNEY/CLIENT VISIT DURING NORMAL VISITING HOURS, THE ATTORNEY MUST BE ON THE INMATE'S APPROVED VISITING LIST, UNLESS A MEMORANDUM HAS BEEN PROVIDED BY THE INMATE'S UNIT TEAM. THIS MEMORANDUM IS TO BE APPROVED BY THE CAPTAIN. IF AN ATTORNEY WISHES TO VISIT AN INMATE DURING NON-VISITING HOURS, THE UNIT TEAM MUST APPROVE AND SUPERVISE THE VISIT. ALSO, THE UNIT COUNSELOR WILL INITIATE A NATIONAL CRIME INFORMATION CENTER INQUIRY. IF A REQUEST IS NOT APPROVED, THE UNIT COUNSELOR WILL NOTIFY THE INMATE IN WRITING.

- D. Clergy Visits: Clergy and/or Minister of Record visits to inmates are approved through the Religious Services Department. Clergy visits will be verified by the Chaplain, and the visits will be approved for certain days during regular hours in the Visiting Room. A Chaplain will issue an

authorization memo for each visit. A copy of this memorandum will be provided to the Lieutenants' Office, Front Entrance, and the Visiting Room Officer. When the Clergy arrives, he/she will be checked in as expeditiously as possible, utilizing the same procedures used for attorneys. The Receptionist will be responsible for entering the visitor's information into the Visiting Program.

E. Professional Visits: Representatives of Law Enforcement Agencies, U.S. Parole Offices, Attorneys, Paralegals, Legal Assistants, and Mental Health Professionals performing court-ordered examinations will receive priority when processing. Representatives are to call and schedule their visits by contacting the inmate's Unit Team. The Unit Team will notify the S.I.S. office by memorandum concerning all pending law enforcement visits. Every effort should be made to schedule the visit during normal visiting hours. Requests should be called in at least twenty-four (24) hours prior to the proposed visit. If approved, Unit Staff will prepare a memorandum authorizing the visit and distribute copies to the Lieutenants' Office, Front Entrance, and Visiting Room. If the visit is requested during non-visiting hours, the Unit Team will attempt to accommodate the request insofar as time, security, and manpower constraints permit. Ordinarily, a 24-hour advance notice is required. Additionally, the visitation privilege will not supercede institutional security and orderly functioning by unnecessarily interfering with other institutional activities. The Receptionist will be responsible for entering the visitor's information into the Visiting Program.

F. Visits to Offenders not in a Regular Population Setting:

1. Admission Status: Visits occurring after the initial 72-hour intake period will be limited to immediate family, pending verification of proposed visitors.

Inmates transferred from other federal facilities: Their approved visiting lists will be maintained provided the NCIC Inquiry was conducted within the past 2 years. If the NCIC is greater than the 2 year time frame, a new Visitor Information Form will be warranted.

2. Special Housing Unit: Inmates who are in the Special Housing Unit (SHU) will visit via video monitors. On Saturday and Sunday the visit will normally not exceed three hours. The rotation will be done on a first come first serve basis. There are two rooms located in the Visiting Room and the SHU that will allow inmates and their approved visitors to visit. Before the start of visiting, staff assigned to work visitation will turn on the monitors and ensure the equipment is working properly. Staff assigned to SHU will do the same. The visitor will be processed like any other visitor into the Visiting Room and placed in one of the two video visiting rooms located in the Visiting Room. The inmate will be escorted from his cell in an orange jump suit and placed in the corresponding video visiting room located in the SHU.

3. Holdover Inmates: The FCI and SCP are not designated as holdover facilities. In the event that a holdover inmate arrives, visitation will only be permitted for those individuals verified as immediate family members. A request to visit an inmate on holdover status must be submitted to the respective Unit Team at least one day in advance of the visiting date for approval. The visit will be conducted in accordance with the aforementioned provisions pertaining to Special Housing Unit inmates.

G. Number of Visitors: Inmates housed in the FCI and SCP will be limited to five (5) adult visitors at one time. Children under sixteen (16) are not limited.

H. Social Visiting Hours: The following schedule will be utilized for inmates with social visits for the FCI and SCP:

Saturday	8:00 a.m. to 3:00 p.m.
Sunday	8:00 a.m. to 3:00 p.m.
Holidays	8:00 a.m. to 3:00 p.m.

- I. New Commitments: During the first 72 hours, newly-committed inmates will not be allowed social visits until completion of an investigation of proposed visitors.
- J. Inmate visiting at the FCI and SCP will be open to all inmates every day visiting is conducted. The visiting will occur on a first-come, first-serve basis. Once the visiting room capacity has been reached, termination of visits will begin. To ensure a comfortable visitation for inmates and visitors at this facility, the maximum safe capacity of the FCI is **299** people and **118** people for the SCP. The visits will be terminated based on the distance a visitor has driven, the length of time the visitor has been in the visiting room, and the relationship of the visitor to the inmate. The Operations Lieutenant or Institution Duty Officer will make the determination as to which visits will be terminated. This will be documented in the Lieutenants' Log and will be supported by a memorandum to the Captain.

In addition to the above procedures, consideration will be given for allowing inmates who are related (e.g., brothers, father/sons) to visit simultaneously with one visitor. Prior approval must be obtained from the Unit Manager, Associate Warden of Programs, and the Captain prior to the visit. This will be documented in memorandum form, and a copy will be given to the Visiting Room Officers to be maintained in their area.

K. Visitors Entering the Institution:

1. The Operations Lieutenant and the Duty Officer will be notified when a visitor fails to clear the metal detector and/or ION Drug Detection Scanner. All items, which can include personal containers and belongings, will be scanned using X-Ray screening devices. The Duty Officer and/or Operations Lieutenant will notify the visitor that the visit is denied. All procedures are outlined in P.S. 5510.15.
2. Visitors who arrive in wheel chairs will be expected to submit to a thorough search. Every reasonable effort will be made to search the visitor in a sensitive and professional manner. If

All items taken into the Visiting Room will be inventoried, and the same items must leave the Visiting Room with the inmate. All inmates entering the visiting area will receive pat searches and exiting the visiting area will submit to visual strip searches.

Random visual strip searches will be conducted on inmates departing the SCP Visiting Room. Inmates will not be permitted to carry out any items other than those brought into the Visiting Room.

7. With prior Unit Team approval, inmates will be allowed to bring legal material into the Visiting Room for legal visits. This material will be inspected by the Visiting Room Officer for contraband. The contents of legal material will not be read.
 8. Loitering in the parking lot or on institution grounds is not permitted.
 9. Large vehicles (e.g., campers, mobile recreational vehicles, tractor trailers) will not be allowed to be left on institution grounds overnight. For institution purposes, these vehicles will be parked in the area of the parking lot farthest away from the Administration Building.
 10. Once a visit with an inmate begins, if the visitor leaves the visiting area, the visit will be terminated. Any exception must be approved by the Operations Lieutenant or the Institutional Duty Officer.
 11. Items not authorized to be brought into the institution will be secured in the front lobby waiting room lockers or in the visitor's vehicle. (i.e., car keys, handbags, etc.) The visitors will be issued keys. Once the visitors depart the visiting room and retrieve their personal belongings, the keys will be returned to the Lobby Staff.
- L. Supervision of Visits: It is the responsibility of the inmate to ensure all visits are conducted in a quiet, orderly, and dignified manner. A visit not conducted in an appropriate manner may be terminated by the Operations Lieutenant or Institutional Duty Officer. The Lieutenant or Institutional Duty Officer will prepare a written memorandum to the Captain and Unit Manager explaining the circumstances relied upon in terminating the visit.
- M. Visiting Attire (Inmate): Inmates entering the visiting area will be dressed in institution clothing; personal tennis shoes are not permissible. All inmates will be required to have shirt tails tucked in, and belts will be worn. All other attire will be prohibited. Inmates will not be allowed to enter the visiting room with pants that have holes in the front pockets. Inmates in the Special Housing Unit will be required to wear an orange jump suits and shoes at all times during the visit.
- N. Inmate and Visitor Conduct within Visiting Room:

All inmate visitors arriving in the Visiting Room will report to the Visiting Room Officer for processing prior to being seated.

Inmates, upon entering the Visiting Room, will report to the Visiting Room Officer for check in. The vending machine areas are off limits to all inmates at all times. Additionally, inmates are not permitted in the areas designated for children. The inmate is responsible for his visiting child's behavior in this area.

Physical contact between the inmate and his visitor(s) will be limited to an embrace upon the initial arrival and at the completion of the visit. The officers will issue only one warning; afterwards, the visit will be subject to termination by the Operations Lieutenant or Institutional Duty Officer, and disciplinary action will be taken which may result in the loss of visiting privileges for a period of time. Criminal prosecution may be initiated against the visitor, the inmate, or both in cases of criminal violations.

A copy of the Visiting Regulations (Attachment B) will be posted in the Visiting Room and will be given to each approved visitor by the Visiting Room Officer upon the visitor's initial visit to the institution. Only the Operations Lieutenant and/or the Institution Duty Officer have the authority to terminate a visit. However, the Visiting Room Officer can deny entry of unauthorized and pre-approved visitors if the visitor violates any of the Institutional Visiting Rules and

Regulations. Non-contact areas are not available at this facility.

Adult visitors will be responsible for the conduct of children under their supervision. This includes keeping them within the authorized visiting areas. Inmates and visitors will be responsible for keeping their children quiet so as not to disrupt others, to include no running. Conduct of children will be the responsibility of the inmate and the visit can be terminated upon the inappropriate behavior of the inmate. The television room will be the exclusive use of the children who visit.

- O. Smoking Policy: FCI Williamsburg is a smoke free/tobacco free facility and there is no smoking allowed by anyone in the visiting room.
 - P. Persons with Criminal Records: While the history of an arrest record or criminal record does not necessarily preclude visiting privileges, careful evaluation and consideration should be given to the nature and extent of the criminal record. History of recent criminal activity is weighed against the value of the relationship and the security of the institution. The Warden or designee will make the final determination as to the approval or disapproval of visiting requests in these types of cases.
 - Q. Former Inmates of the Institution and Relatives of Other Inmates: Rarely will individuals in this category be permitted to visit. In those instances necessitating such visits, the Warden must give prior approval.
 - R. Protective Custody, Separation Cases: The Warden or designee (normally the Captain) will determine approval of the visit and schedule visiting for protective custody and separation cases. Visits of this nature will be reviewed on a case by case basis, taking into account the safety of the inmate and the security requirements of the institution. The Visiting Room Officer will take special precautions when a visitor closely resembles an inmate (as in the case of identical twins).
5. **INJURIES TO VISITORS**: Any injuries occurring to visitors, while inside the institution will be assessed by the senior medical staff member on duty. An injury report will be completed and only emergency treatment will be rendered. No medication will be prescribed. Injured visitors will be referred to the local hospital emergency room or their respective physician for follow up treatment when appropriate.
6. **IDENTIFICATION OF VISITORS**: All applicable procedures, as outlined in the Front and Rear Entrance Procedures institution supplement, will be followed. The Institution Duty Officer or Operations Lieutenant will be notified in questionable cases. The Front Lobby Officer will stamp each visitor's hand with a black light stamp prior to his/her entrance to the visiting room. The Visiting Room Officer will check each visitor's hand for the presence the stamp prior to the visitor's entrance and exit from the visiting room.
7. **BUSINESS VISITORS**: Only the Warden may authorize an exceptional visit of this kind in accordance with Program Statement 5267.08, Visiting Regulations.
- Infrequent visits by a prospective/former employer, clergy, sponsor or parole advisor may be permitted upon recommendation and approval of the Warden or designee.
8. **EMBASSY OR CONSULAR VISITORS**: Arrangements for visits by Embassy or Consular staff will be made through the Unit Manager and approved by the Warden in accordance with Program Statement 5267.08, Visiting Regulations.

9. **PASTORAL VISITS:** Pastoral visits must be recommended by the supervisory Chaplain and approved by the Warden. These visits will occur in the visiting room during regular visiting hours.
10. **OFFICIAL VISITORS:** Members of the FBI, U.S. Marshals Service, Congress, Federal Public Defenders, Department of Justice officials, and Federal Prisons system personnel will be permitted to visit upon presentation of appropriate identification.

11. **ATTORNEY VISITS:**

- A. Attorneys are encouraged to visit during regular visiting hours, on Saturday and Sunday, 8:00 a.m. - 3:00 p.m. Under rare circumstances when an attorney arrives during non-visiting hours, the visit will be visually supervised by a member of the inmate's unit team.
- B. Attorneys should be on the inmate's visiting list. However, this does not preclude other attorneys from visiting at the inmate's request. The Unit Counselor will initiate a National Crime Information Center (NCIC) inquiry. If a request is not approved, the Unit Counselor will notify the inmate in writing. Visits from attorneys not on the inmate's visiting list must ordinarily be requested in writing and approved by the Warden at least 24 hours in advance of the visit. In situations which prior notification by an attorney has not been made due to unforeseen circumstances, staff will make reasonable efforts to accommodate the attorney visit.
- C. All attorneys will present a valid bar identification card and complete a Notification to Visitor form. After completing the Notification to Visitor form, attorneys will be processed through the metal detector and will have their hand stamped before entering the institution. U.S Attorneys and Federal Public Defenders may, in lieu of a bar card and picture ID, present an official picture identification. They will be required to sign the official log.
- D. A copy of attorney visits will be kept in the inmate's central file. In order to be considered a legal visit, the attorney must present photo identification and confirmation of attorney status.
- E. Normally, exchange or delivery of legal documents between an inmate and an attorney must occur through the U.S. Mail rather than through visitation. However, attorneys are permitted to bring reasonable amounts of legal documents (not to exceed a thickness of one-half inch) into the institution for review with an inmate.

Any legal documents brought in by an attorney are subject to visual inspection for contraband by the Front Lobby Officer, but ordinarily staff will not read the materials.

An inmate may bring a **limited** amount of legal materials (not to exceed a thickness of one-half inch) from his unit to the visiting room to review with his attorney. The amount of materials must be approved in writing by the inmate's unit team. The Visiting Room Officer will visually inspect the documents to verify they are limited to legal materials and include no prohibited items upon entering and exiting the visiting room and will immediately notify the Operations Lieutenant if any discrepancies are noted.

Once the legal visit has concluded, the Visiting Room Officer will visually inspect the inmate's legal material to ensure that contraband is not present. Items that cannot be thoroughly searched (e.g., padded envelopes or hard-cover books) will not be allowed to enter or leave the visiting room.

- F. Recording devices, video equipment, and cameras will not be allowed in the visiting room without advanced written approval from the Warden. If such permission is granted, the institution's Legal department will be notified and available for consultation. A member of the unit team will visually monitor the visit.

- G. Non attorney legal representatives such as law clerks, paralegals, and interpreters must receive prior approval to participate in legal visits, regardless if accompanied by an attorney. Attorneys desiring legal representative's participation in legal visits are responsible for submitting a completed Application to Enter Institution as Representative form to the inmate's unit team. These forms may be obtained from the inmate's unit team or by contacting the Legal department.
- H. Original signatures are required for processing and hand-delivered applications are not ordinarily accepted.
- I. Review of properly submitted applications will ordinarily be completed within one week from the day after the date of receipt. Unit team staff will notify the affected inmate when the request for a legal representative is approved.

12. LAW ENFORCEMENT INTERVIEWS: Ordinarily, the Special Investigative Supervisor (SIS) and Captain will approve and coordinate all interviews between law enforcement agencies and inmates. In the absence of the SIS, the Special Investigative Supervisor Technician (SIS Tech) will assume this function along with the Captain. The purpose of this is to acquaint institution officials with any new developments in an inmate's situation that might jeopardize the safety and security of the institution. The completed form will be reviewed by the Captain, who will forward it to the Associate Warden (P), for final review. It will then be sent to the SIS for filing.

13. VISITS TO INMATES NOT IN REGULAR POPULATION STATUS:

Outside Hospital Visits: Visiting privileges will not be authorized for the inmate patient unless approved in advance by the Warden. If visiting is approved, the following guidelines will be adhered to:

- 1. The Unit Team will prepare an approved list of visitors for each inmate patient.
- 2. Prior to the inmate receiving a visit, the visitor's name, address, date, and time each visit will take place will be provided to the staff supervising the inmate in the outside hospital.
- 3. The staff supervising the inmate in the outside hospital will verify the visitor's identity at the time of the visit. The inmate will only be allowed one visitor in the room during the visit. Staff will remain present at all times.
- 4. When the visitor enters the inmate's room, the staff member will advise the visitor of proper visiting procedures. Visitors will be screened with a hand-held metal detector. The staff supervising the inmate will place all purses and handbags in the inmate's hospital room closet or locker. The inmate patient will never have access to the visitor's purse or bags. The visitor may retrieve his/her belongings just prior to departure from the hospital room.
- 5. All inmate visitors will adhere to hospital visiting regulations and hours.
- 6. Visitors will not use the bathroom in the inmate patient's room.
- 7. Visitors/walk-ins will not be authorized to visit the inmate patient unless prior approval has been given by the Warden. In the event an unauthorized visitor appears at the hospital demanding a visit, the individual will be referred to the institution. The Captain and hospital security will be notified.

14. **PREPARATION OF VISITING LISTS:** The Correctional Counselor will be responsible for approving the proposed visiting list the inmate submits and for preparing all documents required on Page 5, Section 12, a and b, of Program Statement 5267.08. The Correctional Counselor will complete and sign the inmate's visiting list. It will be entered in the visitation computer in the front lobby, and a copy will be provided to the inmate. A hard copy will also be placed in the binder in the front lobby, as a secondary source if the visitation computer is unavailable. The Correctional Counselor will also be responsible for additions to the visiting list, filing the updated list, and destroying the old list. All additions will be typed on the original form and initialed by the person making the correction. The counselor will provide the inmate a copy of the visiting regulations during the Admissions and Orientation period. The Unit Team shall notify the inmate of each approval or disapproval of a requested person.

15. **VISITOR DRESS:** The Front Lobby Officer will ensure all visitors are appropriately dressed. Visitors will dress appropriately and avoid clothing styles that are suggestive. See through garments, sleeveless tops, overly tight fitting clothes, plunging necklines, or garments that expose private parts of the body will not be permitted to be worn in the visiting room. No hats except Religious Headwear are allowed in the Visiting Room. Halter tops, wrap-around skirts, strapless shirts or dresses, spandex, caps, and clothing with logos that may indicate gang affiliation or bathing-suit type attire will not be permitted. Provocative attire worn by men or women is reason to deny visiting. A visit may be terminated in order to maintain good taste and consideration for others. Visitors will be expected to wear clothing which is within the bounds of good taste. Visitors will not be allowed to wear low-cut or see-through clothing; tube or tank tops; backless clothing; camouflage, khaki, or green-colored clothing; any article of clothing or dress slit that is above two inches below the knee. Nylon jogging suits in good taste are allowed to be worn. No open shoes or shoes with a heel more than three inches. The Operations Lieutenant or Institution Duty Officer will be consulted prior to denying a visitor entry into the institution because of his/her attire.

The Lieutenant or Institutional Duty Officer will proceed to the front lobby area and determine whether the visitor is dressed appropriately. When a visit is not allowed, the Front Lobby Officer will document the reason(s) in the front lobby officer's log book.

16. **RECORD OF VISITORS:** The Front Lobby Officer will ensure all visitors read and sign the Notification to Visitor form (BP-224(52)) and sign the Inmate Visitor's Log Book. The visitor will complete the Notification to Visitor form in the lobby and the escorting officer will carry it to the visiting room. The Visiting Room Officer will forward the completed BP-224's to the Captain's Office.

17. **INMATE NOTIFICATION AND IDENTIFICATION:** Once the visitor has entered the visiting room, the Visiting Room #1 Officer will contact the inmate's work detail supervisor or housing unit officer and inform them of the visit. Upon arrival, he must present his inmate identification card to the officer.

18. **DETAINING VISITORS:** Refer to the procedures outlined in P.S. 5510.15, Searching, Detaining, or Arresting Visitors to Bureau Grounds and Facilities.

19. **SUPERVISION OF THE VISITING ROOM:**
 - A. Direct observation of the visits is not required at all times, but the officers will move about the area and constantly observe the general visiting area. Inspections should determine that the visits are being conducted in an acceptable manner. Inmates are not allowed to visit with other inmates and/or other inmates' visitors.

 - B. A search of each inmate is required at the beginning and at the end of a visit. Pat searches will be performed on all inmates prior to entrance into the visiting room. A visual search shall

VISITING REGULATIONS
VISITORS HANDOUT**

The following is an outline of the regulations and procedures governing visiting with inmates at the Federal Correctional Institution/Satellite Camp, Williamsburg, Salters, South Carolina. It is the philosophy of this institution that inmate contact (visits) with family and other professional persons will help an offender to plan a more realistic future for his return to society.

All visitors will enter the visiting room at the front entrance. Each visitor must provide appropriate valid photo identification, (e.g., driver's license, passport) before being allowed to visit. As a reminder, persons not permitted to visit may not remain in the institution's lobby area or parking lot. Approved visitors will not be allowed to go to and from their vehicles unless it is to return an item which was refused entry. All other items will be placed in lockers provided for visitors located in the front reception area or secured in the visitor's vehicle. When you have parked your car, make sure it is locked and the windows are closed. Arrival at the institution parking lot prior to 8:00 a.m. on Saturday and Sunday is prohibited. Likewise, visitors may not line up at the visiting room door prior to 8:00 a.m. on Saturday and Sunday. Visitors will not arrive prior to the arrival times listed above on holidays based on the day of the week on which the holiday occurs. Processing of visitors into the institution will end at 2:00 p.m. on Saturdays, Sundays, and holidays.

All other items will be placed in lockers provided for visitors located in the front reception area or secured in the visitor's vehicle.

All visitors must successfully pass through the walk through metal detector prior to entry into the institution. It is recommended visitors not wear wired under garments or wear an excessive amount of metal items. Watches are not allowed to be worn in the Visiting Room.

A short embrace at the beginning of the visit and when it has terminated is the only physical contact which will be allowed. Any excessive display of affection between inmate and visitor which may tend to embarrass other visitors will not be permitted and could result in termination of the visit.

Each inmate (except inmates housed in the Special Housing Unit) is provided with an unlimited amount of visiting time during regular visiting hours with those persons on his approved visiting list, unless circumstances warrant otherwise. However, at the FCI, only five adult visitors are allowed to visit at one time. The Institution Duty Officer and the Operations Lieutenant have the prerogative to terminate any visit due to improper conduct on the part of the inmate or his visitor(s), or for overcrowded conditions. Visiting room capacity, weather, frequency of visits, and distance traveled will be determining factors when a decision to terminate a visit is made. Children under the age of 16 will not be allowed entry into the institution to visit unless they are accompanied by an adult visitor. Adult visitors will be responsible for the conduct of children under their supervision. This includes keeping them within the authorized visiting areas. Inmates and visitors will be responsible for keeping their children quiet so as not to disrupt others, to include no running.

Visitors will not be allowed to bring in or give anything to an inmate. Visitors are not allowed to bring excessive items with them to visit an inmate (e.g., suitcases, large oversized bags, purses, packages). These items will not be brought into the institution. A small see-through coin purse is recommended with proper ID and no more than \$25.00 for use in the vending machines. Inmates are not allowed to receive food from outside sources. free facility and there is no smoking allowed by anyone in the visiting room. There are vending machines in the visiting room from which food snacks can be purchased. Visitors will not be allowed to bring food snacks or sodas out of the visiting room. All items purchased in the visiting room will be consumed inside the visiting room. Individuals with medical problems which require them to carry medication into the visiting room must inform the Visiting Room Staff of their condition and receive permission to carry the medication into the visiting room.

Visiting is an extremely important family function, and dress code requirements are necessary to maintain the dignity of those involved. All visitors will be properly dressed when coming to visit. Nylon jogging suits in good taste will be allowed. No open shoes or shoes with heels more than three inches. The visitor must sign this form in the presence of a staff member. A visual search will be made of all carry-in items of a visitor. As a reminder, on Saturdays, Sundays, and Federal Holidays, the institution will conduct an official count. All visitors must be completely processed through the Front Lobby by 9:30 a.m. Arrival of those visitors who are not processed at 9:30 a.m. will result in a delay until the official count is clear.
